to join the PPC anytime !

Justin Trudeau in blackface ? I never thought he had it in him . He is now welcome in the Conservative Party , if he agrees to get tea-bagged by me first , of course.

Snowden gives TIME magazine Trudeau blackface photos

" I warned the Trudeau government that it would regret not granting me asylum in that nice little police state they have there in Canada . . .

" Throughout the 2019 federal election in Canada, I shall be releasing more embarassing photos of Canadian politicians . . .

" Coming soon - Conservative leader Andrew Scheer getting "tea-bagged" in 2019 by executives of BIG OIL companies ; the NDP's Jagmeet Singh in 1999 at an Al Qaeda training camp ; and Green leader Elizabeth May using Roundup on her front lawn."
